

# Code of conduct

The Alpha online platform code of conduct for hosts and helpers.

## I will...

- Create an environment where participants feel accepted and respected
- Maintain agreed levels of confidentiality before, during and after the Alpha course
- Ensure that guests are never in an online 'room' without a host or helper present
- Report any violations of this code of conduct to my church leader, Alpha leader or lead person for protecting vulnerable people, as soon as possible

## I will not...

- Allow my Alpha course to be recorded
- Discriminate against others or use abusive, discriminatory, sexually provocative or derogatory language
- Tolerate abusive, discriminatory, sexually provocative or derogatory language from others
- Produce, procure, distribute or use pornographic or ideologically extremist material using the Alpha online platform, including sending sexually explicit messages

**I confirm that I have understood and agree to abide by this code of conduct**
